ONE-DAY ADVENTURE EXPERIENCE TOURS

A Thrilling One-Day Adventure Tour
in the Sky, River, and Land

Course Introduction

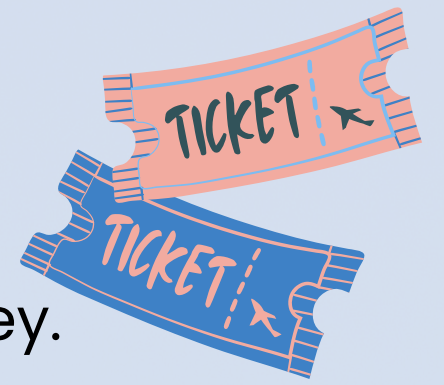

- ✓ 1. Seoul Dal Hot Air Balloon – Fly 100m Above Seoul
Experience one of Seoul's most unique attractions: the Seoul Dal Hot Air Balloon. This tethered helium balloon rises vertically up to 100 meters, offering a breathtaking panoramic view of Yeouido, the Han River, and the city skyline. With both daytime and evening flights available, your experience can be thrilling under the sun or romantic under the night sky.
- ✓ 2. Sebitseom Tubester – Relax on a Floating Round Boat
The Sebitseom Tubester is one of the most iconic activities on the Han River. This round, motor-powered boat effortlessly glides across the water surrounding Sebitseom – Seoul's floating island. Perfect for friends, couples, and families, the Tubester allows you to enjoy the river breeze, music, and the illuminated nightscape of Sebitseom.
- ✓ 3. Han River 4-Person Bicycle – Enjoy the Breeze and Scenery Together
One of the best ways to experience the Han River is by cycling along its scenic riverside path. The 4-person bicycle is a fun and unique way to explore the park together – perfect for creating shared memories. The bike path is smooth, safe, and well-maintained, making it enjoyable for beginners and experienced riders alike.
- ✓ 4. K-Chicken Dinner – The Authentic “Chimaek” Experience
No Seoul adventure is complete without trying Korean Fried Chicken, famous for its crispy texture and delicious sauces. During the tour, you'll enjoy a relaxed outdoor dinner at Han River Park with freshly delivered K-Chicken, just like the locals do. Pairing chicken with beer – known as “Chimaek” – is one of Korea's most beloved food traditions.
